

§ 803.23

body of each municipality and the planning agency of each county in which the project is located of his/her initial determination under this section. Notice to the sponsor shall be by certified mail, and to all other interested parties by regular, first class mail. At a cost to be assessed to the project sponsor, the executive director shall also publish in a newspaper of general circulation in that municipality, at least once, a notice of such determination. If no objection is made to the executive director's initial determination, it shall become final ten days after publication as set forth in this paragraph.

(e) Any interested party objecting to the determination may, within ten days of the newspaper publication, object to such determination and appeal to the executive director by letter for reconsideration. Following such reconsideration, if requested, the executive director shall serve notice upon the agency of the signatory party, the applicant and each such objector of his/her determination. Any such party may appeal such final determination to the commission by notice in writing served upon the executive director within 14 days after the service of the executive director's decision upon reconsideration. The commission will determine such appeal at a regular meeting thereafter.

§ 803.23 Submission of application.

(a) Sponsors of projects requiring the review and approval of the commission under § 803.4, or determined to require the approval of the commission under § 803.22, shall, prior to the time the project is undertaken, submit an application to the commission. The application shall be submitted to the commission at its headquarters, 1721 N. Front Street, Harrisburg, Pennsylvania 17102-2391, and shall contain the information prescribed in § 803.24.

(b) An application shall not be deemed to be pending before the commission until such time as the information required under § 803.24 has been provided and any applicable fee has been paid.

(c) As determined from applications or otherwise, the commission shall review and either approve, approve with

conditions or modifications, or disapprove such projects.

§ 803.24 Contents of application.

(a) Applications shall be submitted on forms prescribed by the commission.

(b) If no forms are prescribed by the commission for a particular type of project, the sponsor shall submit an application addressing the following items applicable to the project:

(1) Identification of sponsor and name of person authorized to speak for the sponsor.

(2) Description of project and site in terms of:

(i) Water use and availability.

(ii) Engineering feasibility.

(iii) Ability of sponsor to fund the project or action.

(iv) Project location.

(v) Project purpose.

(vi) Identification and description of reasonable alternatives, the extent of their economic and technical investigation, and an assessment of their potential environmental impact. In the case of a proposed diversion, the sponsor should include information:

(A) Detailing the efforts that have been made to develop its own in-basin sources of water; and

(B) Demonstrating that the proposed diversion will not have substantial adverse effects on the ability of the Susquehanna River basin to meet its own water needs.

(vii) Supporting studies, reports and other information upon which assumptions and assertions have been based.

(viii) Compatibility of proposed project with existing and anticipated uses.

(ix) Plans for avoiding or compensating for consumptive use during low flow periods.

(x) Anticipated impact of the proposed project on:

(A) Flood damage potential considering the location of the project with respect to the flood plain and flood hazard zones;

(B) Surface water characteristics (quality, quantity, flow regimen, other hydrologic characteristics);

(C) Recreation potential;

(D) Fish and wildlife (habitat quality, kind and number of species);
